English translation

Outside the window is a cold wind,  
and for the first time in a while I dream  
Sad news has arrived, I've lost the hope in my  
eyesInsecure  
stars crowd together without need for words  
But I want to keep walking,  
I won't give up, not like thisNaturally, living things are  
A happy miracle, don't you think?  
Birds in the sky, people on the ground, embrace  
Tears drain to the sea, so sing  
A song of joy, day after dayWhen everybody sees their  
radiance, that stage is so lovable  
Believe in the start of a dream,  
now becoming oneThese burning feelings won't stop,

I don't want to lie anymore  
So I want to keep singing,  
straightforward, as I am  
Chance meetings can be kind  
of mysterious  
Sometimes becoming treasures, don't you think?  
When tomorrow comes, each and every path splits off  
Don't forget, it's a moment we share  
A song of joy, day after day  
I want to hear your voice,  
beautiful people...
