it's wartime you niggas then mess up cause nigga it's
wartime 2x

in the battle feild i have to kill this ain't a alert so don't
call it a drill here

gaks in the back nigga rata tat tat bust in yo heart and
make it go splat

knock on tha doe till a nigga want war come on outside
and get treated like a

hoe (please don't cut me) bitch shut up and flow I tod
you before that I ain't

know hoe nigga want to test me a nigga want to arrest
me and whop me with

a chain an yell who the best khi but I don't play shit get
the mudafuckin click-clak

and zip take yo own chain give yo ass a own whip
wartime nigga so don't you slip

I like a lead pipe accept I walk with a drip wartime nigga
don't test my flow treat cha like

trick have yo ass blow danger nigga that's what cha
gon fear spreading like

a bug in tha fuckin new year (hot) is the sound that a
nigga must fear cuttin niggas up make'em

wish he had no fear so put me in the zone like
mudafuckin bone 5x I'm crustin

yo dome chillin on tha set want war what ya bet make
one move I'm a snap yo neck
