Floating on a sea of trouble
Sorrow falling like rain from the sky
Trodding through life's murky waters
Trials form the tears in your eyes
Don't stop
I'm telling you
There's a blessing on the other side of through

We may not see the other side
The light from darkness may seem to hide
But dont give up
What ever you do
The presence of God is there with you
Don't stop
This word is for you
There's a blessing on the other side of through

On the other side of through
There's a blessing waiting for you
Hold fast
Hold fast
Your troubles will not last
There's a blessing
There's a blessing
On the other side of through

What God has prepared for you
Is better than what you're going through
So run this race with determination
God has prepared your destination
Don't stop
I'm telling you
There's a blessing on the other side of through

On the other side of through
There's a blessing waiting for you
Hold fast
Hold fast
Hold fast
Hold fast
Hold fast

Hold fast
Hold fast
Hold fast
Hold fast
Hold fast
There's a blessing
There's a blessing
On the other side of through
