Daddy cool, hey, yeah, ah  
Oh, oh, oh, yeah

[Joe C.]

See me cruisin' in my caddy, ho's they like to call me  
daddy  
Cool, when I'm stylin', just rollin' on my island  
Now just in case I pack heat, keep a case of brew in my  
backseat  
Got a packet full of cash, hey, got a fatty in my ashtray

I'm cool (daddy cool), call me cool (daddy cool)  
I'm cool (daddy cool), call me cool (yeah)  
Bad ass, daddy cool, bad ass, daddy cool  
Bad ass, daddy cool, bad ass

[Kid Rock] (Joe C.)

Mackin' to this phat beat, bass pushin' through my  
backseat  
You know I got that gangsta lean  
Ho's they all adore me, I stop and they all swarm me  
To check out all my fly gold rings  
They treat me like the mayor, cause I'm the biggest  
player  
(Mackin' all honeys up here in the D baby) You know I  
do  
Grubbin' on some pork rinds, kickin' out them sex  
rhymes  
Everybody wants to be my friend  
But I can't be your friend no, unless you got some endo  
To smoke (I ain't no joke)

Call me cool (daddy cool), I'm cool (daddy cool)  
Call me cool (daddy cool), I'm cool (yeah)  
Bad ass, daddy cool, bad ass, daddy cool  
Bad ass, daddy cool, bad ass

[Unknown Female Singer]

I like the way you profile, them posey's they got style  
Daddy can I roll with you?  
Here's some money for your gas tank, a forty and a

fatty  
Daddy, so I'm down with you

[Kid Rock] (Joe C.)  
Now, some people say my mind's blown, I'm coolin' like  
a snow cone  
On my cell phone I'm paid, G, can't call me, just page  
me  
Young ladies, young ladies, I like 'em underage see  
Some say that's statutory (But I say it's mandatory)  
My story ain't that complex, two forties and a rolex  
I rip, I rock, I roll, G, I trim my hair with the flowbee  
Got soul, G, like AL Green, co-coolin' like the A-Team  
From Maine to San Francisco, I'm shootin' like a pistol  
I'm so slick, I'm Crisco, daddy likes to disco

Come on, work it on out

Call me cool (daddy cool), I'm cool (daddy cool)  
Call me cool (daddy cool), I'm cool (yeah)  
Bad ass, daddy cool, bad ass, daddy cool  
Bad ass, daddy cool, bad ass
