Good cop bad cop
Have their way
Get back to watch
Day to day
S.P.G. locked them away
They never had fame
They carry on anyway
Good cop caught him
With a gun
Bad cop locked away his son
Where I live I can walk tall
The harder they come
The harder they fall yeah
You know it's taking me in
And it's drawing me out
It's not what it seems
In TV and magazines
Good cop bad cop
Have their way
Get back to watch
Day to day
S.P.G. locked them away
They never had fame
They carry on anyway
Y'know it's taking me in
And it's drawing me out
It's not what it seems
In TV and magazines
In TV and magazines
In TV and magazines
In TV and magazines
