Do you want to go for a walk you can hold my hand we  
can laugh and talk. You can lead the way, which way  
you want to go. Tell me all the things I really, really  
want to know.

(chorus) Hair is gold and her eyes are blue, I'm in love  
with the girl with the flower tattoo and if I wrote the  
perfect song, you know I'd name it after you.

T-shirt, sneakers, some faded blue jeans, pocket in the  
back ripped from the seams. Doesn't really care what  
she hears or sees, what they think about her, what they  
think about me.

(chorus)

Do you want to go for a walk you can hold my hand we  
can laugh and talk. You can lead the way, which way  
you want to go. Tell me all the things I really, really  
want to know.

(chorus)
