Have you heard the one about alfred  
a dangerous robot i'm told  
he's got lasers for eyes  
and a microchip brain  
and his skin is terribly cold  
(We've heard the one about alfred! its strange!  
amazing! untrue!)  
but now that we heard about alfred  
we'd like to hear more about you

I'm a rumor weed  
(he's a rumor weed)  
I'm a rumor weed  
(he's a rumor weed)  
A tiny little story is all i need to make a big mess  
( he's a rumor weed)

(So what is a rumor)  
Starts as a story  
maybe it's true, maybe not  
but once you repeat it  
it's hard to defeat it  
now look at the mess that you've got

Alfred's a robot  
everyone knows  
the story is all over town  
Us rumor weeds know how a rumor can grow  
just like a big weed in the ground

I'm a rumor weed  
( he's a rumor weed)  
I'm a rumor weed  
(he's a rumor weed)  
A tiny little story is all i need to make a big mess  
(he's a rumor weed)

Don't start a rumor  
no no  
Don't start a rumor  
words can hurt; they spread like a tumor  
so play it safe and don't start a rumor

I'm a rumor weed  
(he's a rumor weed)  
I'm a rumor weed  
(he's a rumor weed)  
A tiny little story is all i need to make a big mess

A tiny little story is all i need  
(Better watch out for the rumor weed!)
