Shake it up up rock your body and
Make it knock knock when you're partyin
Take a break break in the audience
Do your footwork break and stop again
I'm lookin sharp you can't compete with a champ
Steady flickin I'm holdin down that lawaway rack
Aye, rhinestones all in they face
Gold charms and paper chase
Talk smack from around the way
Gotta put these chicken heads in they place
I ain't rockin no stupid bapes
Ain't trippin I'll juke all day
I ain't slippin cause either way
When I hit the block all the people say

[Chorus:]

Got her toes done up, with her finger nails matchin
Got her toes done up with her finger nails matchin
