Never knew, I could feel like this,
Like I've never seen the sky before
Want to vanish inside your kiss
Everyday I love you more and more
Listen to my heart can you hear it sing
Tellin' me to give you everything
Seasons may change, winter to spring
But I love you, until the end of time
Come what may, Come what may
I will love you, until my dying day
Suddenly the world seems such a perfect place
Suddenly moves with such a perfect grace
Suddenly my life doesn't seem such a waste
It all revolves around you
And there's no mountain too high, no river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather,
And stars may collide
But I love you, I love you
Til the end of time, Until the end of time
Come what may, Come what may

I will love you, until my dying day

Oh come what may, come what may

I will love you , I will love you

Suddenly the world seems such a perfect place

Come what may, Come what may

I will love you

Until my dying day
