Pretending that you were faithful to me
Knowing that your heart with someone else
Living with the hope was just my dream
I was sleeping in your shadow
Now you can see clearly in the light
Knowing there's a complication
Now you can see a change to live your life
Instead of feeling sorry for yourself
Oh baby, oh baby, we did the best we could do
I'm sorry that you're leaving
Baby, oh baby, you'll find the light in the sky
And someone to believe in
Pretending that you were faithful to me
Knowing that your heart with someone else
Knowing there's a chance to live your life
Instead of feeling sorry for yourself
I hope that one day we'll give the time we have made
All I know is I'll be waiting for you
