(It's all they possess)
Some people want to find a place among the rest
(It's all that's left)
There's a face
In the windows of the world
There's a voices
In the pages of their heart that says
I don't want to be lonely anymore
I need something I can live for
Wanted
Anyone can see I want to be
Wanted for love
I want to be
Wanted
'Cause I'm reaching out to be
Wanted for love
Some people drift along in emptiness
(It's all they possess)
Some people want to find a place among the rest
(It's all that's left)
There's a face
In the deserts of the world

There's a voice
In the mountains of their heart that says
I don't want to be lonely anymore
I need something I can live for
Wanted
Anyone can see I want to be wanted
Wanted for love
I want to be
Wanted
'Cause I'm reaching out to be
Wanted for love
To sleep
Crowned with tomorrow
To dream
And wake up with sorrow
Wanted
Anyone can see
I want to be

Wanted for love
I want to be
Wanted
'Cause I'm reaching out to be
Wanted
