Its just a matter of time till I make you mi-ine  
So what is getting me down  
A chill runs deep down to my hear-ear-eart  
But if loves what you wanted from me  
While it feels such a threat in believin, baby  
Its gettin clear now but not quite clear enough, yeah-  
eah  
Say it

Say it, say it, the need of love is strong (hey-hey-hey)  
Got to find out, got to find a way to you  
Say it, say it, now its been so long, I need you girl  
Say whats on your mind when you need me  
(Got to find out, got to find a way to you)  
Its just a matter of time till you need me - now  
(Say it, say it, say it, say it)

Look what youve done to me, now Im gettin scar-ared  
Oh, when I see you pass by  
You cant let go, this time Im do-o-one  
If you opened your eyes you would see  
In this wor-orld, his suspicion cant breathe, well baby  
Its gettin clearer but not quite clear enough, yeah-eah  
Say it

Say it, say it, the need of love is strong (hey-hey-hey)  
Got to find out, got to find a way to you  
Say it, say it, now its been so long, I need you girl  
Say whats on your mind when you need me  
(Got to find out, got to find a way to you)  
Its just a matter of time till you need me now-how  
(Say it, say it, say it, say it)

Say it, say it, oh baby (hey-hey-hey)  
Ive got to find out, got to find a way to you  
Say it, say it, I need you girl  
(Ooh-hooh) got to find out, got to find a way to you  
(Ooh-hooh) say it, say it, say it, say it  
(Ooh-hooh) got to find out, got to find a way to you  
(Ooh-hooh) say it, say it, say it, say it [fade]
