I dont like gold and I dont like pearls
Im just your regular West Australian fishermans
daughter
Im a middle class folk singing guitar playing girl

I aint seen the world no Ive not travelled far
Im saving dollars for a nineteen sixty two
ruby red interior r series valiant mother f*cking of a car

Coz Im a country girl and im in a city world pulling up
pulling all the man Im gonna let you through
Im living in the left hand lane of my city
slow down so I can walk this highway with you
slow down, let me walk it with you

Slow down
we all gotta slow down
man I wanna walk that highway with you
yeah i wanna be walking with you you you you you
slow down
the whole world's gonna slow down
i wanna walk that high way with you, with you you you
you with you

No not yet married I got no ring on my hand
I got my heart beating for this sweet loving
second hand dealing boy
Im gonna luv him the best way I can I know I can

Coz Im a country girl in a city world pulling down
pulling all the man Im gonna let you through
Im living in the left hand lane of my city
slow down so I can walk this highway with you
slow down let me walk it with you

I dont like gold and I dont like pearls
Im just your regular West Australian fishermans
daughter
Im a middle class folk singing guitar playing girl
