say with me
strawberry and cream
this game is like a color by numbers
you can be
what you wanna be
just believe your life is a dream

baby it's so very easy
a lemon squeezy
you begin to feel in the pink
say you're happy with a sing-song
a merry-go-round
the sunshine is the light in your eyes

so baby let me hear you sing it
easy busy lemon squeezy
let the music take you round and round
go easy busy lemon squeezy
so baby let me hear you sing it
easy busy lemon squeezy
let the music take you round and round
go easy busy lemon squeezy

run with me
easy to believe
so you can be my fantasy lover
you can be
what you wanna be
dancin' to the music supreme

baby it's very easy
a lemon squeezy
you begin to feel in the pink
say you're happy with a sing-song
a merry-go-round
the sunshine is the light in your eyes

so baby let me hear you sing it
easy busy lemon squeezy
let the music take you round and round
go easy busy lemon squeezy

so baby let me hear you sing it
easy busy lemon squeezy
let the music take you round and round
go easy busy lemon squeezy
