The Dirtbombs
"Hard Times"

The same old story
A girl meets a boy
And they fall in love too fast
But there's nobody
Who can reason with you
Before that sensation comes to pass

And you say you're in for the long haul
But your action's provin' otherwise
Boy, you don't have a leg to stand on
It's the same shit every time

We've been havin' hard times
Livin' off the old times
Make believin' everything is fine
Yeah, we've been havin' hard times
But I think it's 'bout time
That we make a change and do it right

You know I love you
With all of my heart
But it's an ache in my soul
And don't you know
I've been feeling more like your mom than a girl
And it's takin' it's toll

So don't say you don't see it comin'
I've been givin' you all the signs
And don't play baby games with my heart
I've been workin' for you overtime

[Chorus]

Baby, I've been tryin' to be patient
But it's getting kind of hard
Because you're makin' me pick up the slack
And you've been good at lovin' me
But there is more that goes into it
Than just all of that

You've been havin' hard times

But I think it's about time
That we make a change and do it right

[Chorus]
