Watchin' soul train on a Friday night
All the young ladies lookin' outta sight
Close my eyes and I started to dream
Found another world that I haven't seen

Hey! Hey!
Hey! Hey!

Drivin' my Torino to the discotheque lights
The Aruba Palace is the place tonight
Open the door and what do I see?
Lotta white girls tryin' to smurf like me
Well, I'm through with white girls
Hey! Hey!
Hey! Hey!

Get a brown-skinned honey dancin' good as me
She said, "Hop in my ride and lets go down to the scene"
Dancin' with the ladies and that was all peaked up
What a beautiful world 'til I woke up
It don't matter...
'Cause I'm still through with white girls
Hey! Hey!
Hey! Hey!
Hey! Hey!
Hey! Hey!
Hey! Hey!
Hey! Hey!
Whoa! Hey!
Hey! Hey!
