Set aside your mind, your mind  
Be forgiving and kind  
Is it all worthwhile?  
Tonight, tonight  
I'm here for you  
And I feel like a child again  
I never knew I'd take it this far  
Try to hide the pain  
But I never knew he'd jeopardize  
My pride  
In my life, I tried, I try  
To take it all with a stride  
But I feel like I  
Just this time  
Must step aside  
[Chorus]  
It wears me out  
Don't pressure me about it  
He brings you down  
You know it, so come on  
I can't be a part  
Of his communism  
And it stops for me today  
Okay?  
Say goodbye to me tonight  
'Cause it's over this time  
He's like a bridge on fire  
And you, and you  
Your own demise  
And I feel like a child again  
I never knew I'd take it this far  
Try to hide the pain  
But I never knew you'd jeopardize..  
My pride
