if you see me

if you see me

just go away

just go away

if I run

If I run

Don't follow me

just go away

cuz I like you

but baby it's all wrong

cuz I yeah I like you

but bay be its all wrong

If I run don't you think

you know what I want

It feels good

It feels good

Its all wrong

Its all wrong

It feels so good

it must be wrong

It feels so good it

must be wrong
