This is a song about the seedy underbelly of the
carnival

The part that only the kids know about

This is a song about 16-year-old girls giving carnies
head

For free rides and hits of pot

I wanna go

I wanna go!

I wanna go!

I wanna go to the carnival

But I know that it costs 16 dollars now

I wanna go to the carnival

But I know that it costs 16 dollars now

Round, round, round...

I'll win that Motely Crue mirror

If it fuckin' kills me!

Gonna lose 20 dollars while there

See the girls with the feathered hair

Wearing plastic, not real leather

Boots that go up to there, yeah

Round, round, round...

Its' by the Lacey Mall

That's where you'll find mem, yeah
