Hello Hello Hello Hello

Hello Hello Where is your next show?

In Honolulu.

Where is your next show?

In Honolulu.

Where is your next show?

In Honolulu.

Do we get to go there for free?

Oh yes we do, but not with you!

(REPEAT)

Oh Everett true, where are you?!

Who is gonna put in our tape-deck

Who is gonna carry the bass-amp

Who is gonna buy us a van?

It could be you, it could come true..Oh
