I can sell my body if i wanna

God knows you already sold your mind

I may sell my body 4 \$\$\$ sometimes

But U can't stop the fire

that burns inside of me

U think I don't know

I'm here to tell you I do

U think that I don't know

I know the truth about you

Jigsaw Jigsaw Youth

We go with the kids

yeah yeah yeah

Jigsaw Jigsaw Youth

We know there's not one way

one light, one stupid truth

Don't fit your definitions

won't meet yr demands

not into win/lose reality

won't fit in with your plans
