O, baby, I want ya

You're so fuckin good

You're so big & hard

You've got such a big cock

Push it in deeper now

O, deeper, harder

I'm almost cummin'

I'm almost cummin'

O, sugar!

I can almost reach it now, now, now

Sugar

I'm a self-fulfilling porno queen, yeah

I mimic out your ever fuckin' fantasy yeah, yeah

In my head I'm on my knees

O, baby

Why don't I ever get my

Sugar?

What are you afraid of?

Who are you afraid of?

What are you afraid of?

Who are you afraid of?

O, sugar!

I won't play girl to your boy no more

Sugar

I want mine right here, right now

Baby, sugar

I can almost it now, now, now

Sugar
