[RZA]

Aiyo, I wanna dedicate this song right here to O-Ren Ishii

Half Chinese Half Japane-see, Half American and yo

Oh what a specie, a feminine perfection

She got the sinister cat eyes and little freckles on her complexion

Cheaper than Yakuza, but she's wicked like Medusa

And she got Crazy 88 killers that'll slice right through ya

Quick to chop a head off then wipe the blood off

A long range sniper shot she bust, never let a dud off

You got a minute to pray and a second to die

You can see the image of the devil reflectin' inside her eye

But since she was a little girl, yo, she never would cry

She seen so much tragedy, let me explain to you why

She grew up on the military base, where she had to face

The brutality of her mother and her father being erased

The blood drops from her tear drops, on her face you see the smear spots

She silently watched, as the shogun sliced through her dear pops

Through his thick skull, now she's vicious like a pitbull

And when it comes to hatred, and revenge she got a shit full

Yo... revenge is that fire that burns inside your soul

Aiyo, she been bustin' off kneecaps, son, since the age of eleven

But fuckin' the enemy to death, uggh, that was her favorite weapon

And the death you paid in hell, boy, it can't be paid in heaven

You better got down on your knees, son, and start prayin' to the reverend

Bon appetit, boy, revenge is so sweet

Especially when it's served on a cold dish, but she has

no wish
But to cut your day short like the winter solstice
And a chance to receive a slight bit of mercy from her
was hopeless
Oren Ishii, half Chinese half Japanese
Half American, muaww, yeah, oh what a species
