I can tell you that.

Actually Bill's last bullet put me in a coma.

A coma I was to lie in for four years.

When I woke up ...

I went on what the movie advertisements refer to as a
Roaring Rampage of Revenge.

I roared and I rampaged and I got bloody satisfaction.

I've killed a hell lot of people to get to this point.

But I have only one more.

The last one.

The one I'm driving to right now.

The only one left.

And when I arrive at my destination... I am gonna Kill
Bill.
