Looked dead, didn't I? Well I wasn't, but it wasn't for lack of trying, I can tell you that. Actually Bill's last bullet put me in a coma. A coma I was to lie in for five years. When I woke up ... I went on what the movie advertisements refer to as a Roaring Rampage of Revenge. I roared and I rampaged and I got bloody satisfaction. I've killed a hell lot of people to get to this point. But I have only one more. The last one. The one I'm driving to right now. The only one left. And when I arrive at my destination...I'm gonna Kill Bill.
