I know what boys like
I know what guys want
I know what boys like
I've got what boys like

I know what boys like
I know what guys want
I see them looking

I make them want me
I like to tease them
They want to touch me
I never let them

I know what boys like
I know what guys want
I know what boys like
Boys like, boys like me

But you, you're special
(I might let you)
You're so much different
(I might let you)
Ohh, would you like that
(I might let you)

I know what boys like
I know what guys want
I know what boys like
I know what's on their mind

I know what boys like
I know what guys want
They talk about me

I got my cat moves
That so upsets them
Zippers and buttons
Fun to frustrate them

They get so angry
Like pouty children

Denied their candy
I laugh right at them

I know what boys like
I know what guys want
I know what boys like
Boys like, boys like me

I feel sad now
(I will let you)
Sorry, I teased you
(I will let you)
This time I mean it
(I will let you)

Anything you want
(You can trust me)
I really want to
(You can trust me)
How would you like it?
(You can trust me)

Sucker, ha, ha, ha

I know what boys like
I know what guys want
I know what boys like
Boys like, boys like me
