I always wondered if I could be your Captain Thunder
You'd be my lighting... together we could be so
frightening
In the playpen we'd stay then fighting crime until bed
time
One more story I implore thee, but won't you leave the
night light on

It's gonna be
You, me and Optimus Prime
We'd have such a real good time
And if you would like to grow up you just shouldn't
show up

We could live in a castle by the sea if you please
We'd hold off the siege, we could fight the cavalry
All the lego would say oh you two should act your age
So put away those horses and play thrones while
mother is on the phone

It's gonna be
You, me and Optimus Prime
We'd have such a real good time
And if you would like to grow up you just shouldn't
show up

And when we get older I'll become a soldier
But you'll wait and I'll get home safe
We can pick it up where we left it off

We could have our friends over for tea nightly
Biscuits from the easy bake on your birthday, a DQ
cake
And some snowcones I should think so, big league
chew I know
Blowing bubbles, make it double but don't let it pop
or we might get in trouble

It's gonna be
You, me and Optimus Prime
We'd have such a real good time

And if you would like to grow up you just shouldn't
show up

You, me and Optimus Prime
We'd have such a real good time
And if you would like to grow up you just shouldn't
show up
And if you would like to grow up you just shouldn't
show up

I always wondered if I could be your Captain Thunder
