Spend a week awake but we leave the calls tonight
The locals keep us up all day and night
Seen the Northern Lights and weâ€™ve seen the Milky
Way
And I miss home much more than it miss me

Donâ€™t walk, shout it out
Donâ€™t walk, shout it out

Lie against the moonlit sky
Its pushing out the child I kiss
Look up towards the stars and stay
Just enjoy the ride and rest

So come on over here
Come on over here
Got aches and pains and other things
Come on over here
Come on over here

Cheetah, donâ€™t get me down
Cheetah, donâ€™t get me down

Come on over here
Come on over here

Spent a week awake but weâ€™re heading home
tonight
Gonna take you out and do it right

Cheetah, donâ€™t get me down
Cheetah, donâ€™t get me down

Come on over here
Come on over here
Yeah, make the most, just this once
Come on over here
Come on over here
