I have no business, asking you the words  
I know the reason, you exaggerate  
I know the answers, to all your demands  
I have no secrets

I'm not your heartbreaker  
Some tender ballad playin  
I'm not your heartbreaker

These are the good years  
Ahh, the best we'll ever know  
These golden light-years

I'm not your heartbreaker  
Some tender ballad playin  
I'm not your heartbreaker

You know I'm hopeless  
Oh no, no you're wrong  
It's not the singer  
It's the song

You know I'm helpless  
Oh no, no you're wrong  
It's not the singer  
It's the song

On the short days  
Like the Chinese stars  
Let's dance in our uniforms

These are the good years  
Ahh, the best we'll ever know  
These golden light-years

I'm not your heartbreaker  
Some tender ballad playin  
I'm not your heartbreaker

I'm not your heartbreaker  
Some tender ballad playin  
I'm not your heartbreaker

I'm not your heartbreaker
