Our children will always hear  
Or mention tales of distant years  
Our gilded age may come and go  
Our crooked dreams will always flow

Stick with me  
Oh you're my best friend  
All of my life  
You always been

Remember remember  
All we fight for  
Remember remember  
All we fight for

Don't leave me  
Oh you're my best friend  
All of my life  
You always been  
Don't leave me now  
You're my best friend  
All of my life  
You always been

Remember remember  
All we fight for  
Remember remember  
All we fight for
