I'm waiting on a subway line  
I'm waiting for a train to arrive  
I'm thinking of a dream I had  
Maybe you're right

We're gonna have a good time tonight  
Cuz when you're coming around you'll be sorry for the  
plans we made  
When you're coming around, you'll be sorry for the  
things you said so don't lead me on

And when you're coming around you'll be sorry for the  
things you said  
Because no one speaks to me that way, and me, I'll be  
hanging from the ceiling fan
