Senorita, looks like you  
Ain't done nothing  
Good women ain't supposed to do  
Oh no no no no

I seen her downtown, 'bout an hour ago  
Behind the glass at a peep show  
I got nervous 'cause I don't know  
Can she see me behind that window?

It's almost nine and I'm back in line  
I can't get the girl  
With the Spanish tears out of my mind  
I've got to make her mine, all mine

But somethin' is wrong, she don't belong  
She oughta be back where she's from  
Maybe back home is Mexico City  
Man, I don't know her, but she sure is pretty

But God, don't make lonely girls  
He sure didn't want 'em in His world  
But God, don't make lonely girls  
Yeah, yeah, doo doo doo doo

Now when I make that girl all mine  
I'm gonna stand by her  
Once I get inside of her barbed wire  
Once I get inside

I bet she'd look good in a brand new dress  
She never felt good in her fish net  
She's got to be this towns best mess  
But it ain't nothin' that her face would suggest

But God, don't make lonely girls  
He sure didn't want 'em in His world  
But God, don't make lonely girls  
Yeah, yeah, doo doo doo doo

I gotta make her see  
I'm a guarantee

Oh, if she'd only come along with me  
Well, I can make her see

Gonna take a walk right through these walls  
'Cause she's comin' home with me  
I ain't even gonna touch her at all  
Man, I'm only gonna lay awake and watch her sleep

But God, don't make lonely girls  
He sure didn't want 'em in His world  
I know God, don't make lonely girls  
Yeah, yeah, doo doo doo doo
