I started a joke which started the whole world crying
But I didn't see that the joke was on me
Oh, no, I started to cry, which started the whole world
laughing
Oh, if I'd only seen that the joke was on me

I looked at the skies, running my hands over my eyes
And I fell out of bed, hurting my heads from things that
I said

Till I finally died, which started the whole world living
Oh, if I'd only seen that the joke was on me

I looked at the skies, running my hands over my eyes
And I fell out of bed, hurting my head from things that I
said

Till I finally died, which started the whole world living
Oh, if I'd only seen that the joke was on me

Oh, no, that the joke was on me, oh, oh, oh, oh, oh, oh
