The way to a womans heart  
Is through her lips  
Through the shudder of her sight  
And the motion of her hips  
Through the softness of her thigh  
To that place between her shoulders  
And if a woman wants her  
Do you wanna hold her bad?

Are you thinking 'bout a woman?  
You might just like to see  
Look her deep in the eyes and say:  
"Slow dance with me"  
You know what you're wanting  
You might ask now  
You can show her so she'll know how

That the way to your heart  
Is through your lips  
Through the shudder of your sight  
And the motion of your hips  
And the softness of your thighs  
To that place between your shoulders  
And if she wants you  
Do you wanna hold her bad?

I'm thinking 'bout a woman  
Who might just take me home  
And feed me dark chocolate  
And other sugar that she owns  
You know what I'm wanting  
I'm asking now  
I can show you so you'll know how

That the way to my heart  
Is through my lips  
Through the shudder of my sight  
And the motion of my hips  
And the softness of my thighs  
To that place between my shoulders  
And if you wants me

I won't hold back  
I won't hold back
