#### VERSE 1

There's so much craziness  
Surrounding me  
There's so much going on  
It gets hard to breathe  
When all my faith has gone  
You bring it back to me  
You make it real for me

When I'm not sure of  
My priorities  
When I've lost sight of  
Of where I'm meant to be  
Like Holy water  
Passing over me  
You make it real for me

#### CHORUS

And I'm running to you baby  
'Cause you are the only one who'll save me  
That's why I've been missing you lately  
Cause you make it real for me

#### VERSE 2

When my head is strong  
But my heart is weak  
I'm full of arrogance  
And uncertainty  
I can't find the words you teach my heart to speak  
You make it real for me

#### CHORUS

And I'm running to you baby  
'Cause you are the only one who'll save me  
That's why I've been missing you lately  
'Cause you make it real for me

#### BRIDGE

Everybody's talking in words I don't understand  
You got to be the only one who knows just who I am  
You're shining in the distance I hope I can make it

through  
'Cause the only place that I want to be is right back  
home with you

#### VERSE 3

I guess there's so much more  
I have to learn  
But if you're here with me  
I know which way to turn  
You always give me somewhere  
Somewhere where I can run  
You make it real for me

#### CHORUS

And I'm running to you baby  
'Cause you are the only one who'll save me  
That's why i been missing you lately  
'Cause you make it real for me  
You make it real for me
