Memories, yeah  
Memories, yeah

In the place where I know you have been  
Makes me feel uneasy  
Running home to forget the fact  
I just can't believe we're through

How could you love another  
What did I do wrong to make you leave  
Told me we'd be forever lovers  
Aren't you here to make more

Memories Memories  
Thinking about those precious nights  
Can't you see can't you see  
Without you near me  
I live a life in memories

Photographs of the moments we shared  
Love is sealed...  
Give me hope that a love once so real  
Is only to be renewed

Why don't we get together  
Talk of the times  
And make you feel the need  
Have to forget your other lover  
Just stay with me and I know you won't leave

Memories memories  
Stay won't you live those precious nights  
Can't you see can't you see  
Without you near me  
I live a life in memories

Memories memories  
Make it up to you overnight  
Come to me come to me  
Feel the chance and I know  
That this time you won't leave

Ooh yeah memories yeah  
Ooh yeah memories yeah  
(repeat)

Never gonna give it up  
Never gonna give it up  
Memories  
Never gonna give it up  
Never gonna give it up  
(repeat & fade)
