Soul taker, heart breaker,
Some say she's one of a kind.
Head turner, what a looker,
She's enough to make a grown man cry.

Well I don't need her hanging around my door,

'Cause she's bringing me down
Down on love
'Cause she's bringing me down
D-d-d-down on love

Thrill seeker, what a deceiver
She'll leave you hanging out on a line
Money maker, mover and shaker
She'll steal your heart but she won't do the time

Well I don't want her hanging around my door

'Cause she's bringing me down
Down on love
She's bringing me down
D-d-d-down on love

'Cause she's bringing me down
Down on love
She's bringing me down
D-d-d-down on love

Down on love
