no news - nothing happens
no wins - seem to come my way
but I'm ok
my new friends - don't belong here
my old friends - didn't want to stay
that's ok
it's an infinite monday story
boring? - yes! that's my adress
damit - I won't - have it -this way
damit - I said - I won't - have it
damit - I said - I won't - have it - this...way
so long - since you wrote me
so long - since I wrote you back
I still live here
cold springs - what a nuisance
good things? - well it's hard to tell
but I'm ok
it's an infinite monday story
boring? - yes! that's my address
damit - I won't -have it - this way
damit - I said - I won't - have it
damit - I said - I won't - have it - this...way
dare I say I feel a bit psycho
dare I say - it feels very nice...though
ride - oh
end - oh?
