As the sun fell, so did I... into the fire
I left my clothes and bag behind
Love stung, she was a revelation
A new sensation, infatuation,
Let me down!

How am I supposed to let go?
Sweet nymphet, I can't forget you
Heaven knows I would have liked to
So tell me how am I?

I think I know a thing or two:
I'm such a fool
I'm still busy missing you
Love stung, she was a revelation
A new sensation, infatuation,
Let me down!

Love stung, she was a revelation
A new sensation, infatuation,
Let me down!

How am I supposed to let go?
Sweet nymphet, I can't forget you
Heaven knows I would have liked to
So tell me how am I?

She was a revelation
A new sensation, infatuation,
Let me down!

How am I supposed to let go?
Sweet nymphet, I can't forget you
Heaven knows I would have liked to
So tell me how am I?
Tell me how am I?
