Always will we find  
I tried to make you love  
'Til every thing's forgotten  
I know you hate that

Bop badada, bop bop bop bop  
Bop badada, bop bop bop bop

Always will we fight  
Kiss you once or twice  
And every thing's forgotten  
I know you hate that

I love your Sunday song  
The week's not yet begun  
And everything is quiet  
And it's always

You and me, always and forever  
You and me, always and forever  
Bop bop bop bop bop  
It was always you and me, always

You tell me I'm a real man  
I try to look impressed  
Not very convincing  
But you know I love it

I know we watch TV  
'Til we fall asleep  
Not very exciting  
But it's you and me

And we'll always be together  
You and me, always and forever  
Bop bop bop bop bop  
It was always you and me, always and forever  
You and me, always and forever

Bop bop bop bop bop  
It was always you and me, always and forever  
You and me, always and forever

Bop bop bop bop bop
