This is not gonna last forever
It's a time where you must hold on
And I won't let you surrender
And I'll heal you if your broken

We can stand so tall together
We can make it through the stormy weather
We can go through it all together
Do it all together
Do it all

I'll be your strength
I will, I will, I will
I'll be your strength
Yes I will, yes I will

I won't sleep till the sky is calmer
Keep on searching till I've found you
And my love will be your armour
In this battle field around you

Hand in hand we walk together
We can make it through the stormy weather
We can break down walls together
Do it all together
Do it all

I'll be your strength
I will, I will, I will
I'll be your strength
Yes I will yes I will

Hold on
Hold on
I'll be.. there soon
So hold on
Hold on
I'll be ..there soon

So hold on
Hold on
I'll be.. there soon

So hold on
Hold on
I'll be there

I'll be your strength
I'll be
I'll be
I'll be your strength
I'll be
I'll be

I'll be your strength
I'll be
I'll be
I'll be your strength
I'll be
I'll be

I'll be your strength
I'll be strong for you
I'll be your strength
And I'll keep strong for you.
