If Nathan won't do it  
If Tom won't do it  
And Jay won't do it  
Then go for Siva's model pout instead

If Max didnt hide it  
If Nathan didn't hide it  
Then why can't I find it  
All the guys have tried it on now  
And looked wrong somehow

So I'm getting my pout ready  
Getting my pout ready now

It's a band photo  
We gotta get into a nice straight row  
Hope you can't see the creases and they've ordered  
the pizzas  
Being a heart-throb ain't easy you know  
Guess what time we get up get up now

Cause Max won't wash it  
and Jay won't wipe it  
Don't mean to drop it  
But cleaning just drives us out

of our heads  
When I'm handed pictures to sign and I'm trying to be  
patient  
But girls all go berserk for their screaming adoration  
Because they say it helps.  
It's to maximize flirtation but I must get back to this  
shoot

This bit's slow mo, then we get back into a nice straight  
row  
As our fame increases schedules on press releases  
And so our fans already know exactly where to go now

I wonder if I'll be the solo star but I'm worried if I do  
depart  
Then my place in the band will go

and it'll break up our nice straight row  
row row row row row  
We're all standing  
slow mo slow mo slow mo

It's a band photo we gotta get into a nice straight row  
How you cant see the creases and they've ordered the  
pizzas  
Being a heart-throb ain't easy you know  
Guess what time we get up get up now
