Turn it off

Jay:

Stop, look, listen what I am saying
Don't push haven't got to chase it
Just me I don't have to fake it
Never gonna change it, I don't have to fake it

Tom:

Back off, back off, you won't get very far
Back off, back off, I think you think you're a star
Back off, back off, I don't know who you are
I think you think you're a star, you're a star

Max And Nathan:

There's something bad in you
Makes me wanna scream
I'd like it out of my mind so I can't hear a thing
About to tell you what I mean
Turn it off (off), I turn it off

Siva:

Fast cars, smooth talk, flash watch

Jay:

Turn it off

Siva:

Fake hair, fake tan, lipgloss

Jay:

Turn it off

Siva:

Hot shot, who cares, cause I just don't give a damn

Jay:

Turn it off (2)

Time moves,
Seems like nothing's changing
V.I.P. isn't that amazing
So seen, but it doesn't faze me
Never gonna change me
No it doesn't faze me

Tom:

Back off, back off, you won't get very far
Back off, back off, I think you think you're a star
Back off, back off, I don't know who you are
I think you think you're a star, you're a star
