Out here in the park .. I got a picnic lunch in the  
, a little red dress for you  
And your .. shoes.  
I got your mama to pick the kids out  
I got a bottle of wine and some plastic cups  
So when .. in time,  
Baby you're all mine.  
If you think I lost my mind  
Baby it's about that time to you did too.

Chorus:  
And soon howl at the moon  
I wanna kiss you in the car  
And look down at the stars  
just me and you  
Can drive each other a while  
And when we used to do,  
Howl at the moon.

Driving in to work today, I took a ride to ..road day  
Just for a life and took me back  
You and me then ,  
With the flash light on the window glass that ..in  
At the front road see  
It's been a ..it's a wonderful life  
What do you say for just one night  
We turn back time.

Chorus:  
Me and you howl at the moon  
I wanna kiss you in the car  
And look down at the stars  
just me and you  
Can drive each other a while  
And when we used to do,  
Howl at the moon.

It don't matter where we go  
As long as it's crazy  
Nobody needs to know  
Just you and me baby.

[Chorus:]  
Howl at the moon,  
Baby howl at the moon.
