Now I've been watching you close now lately,
And I've noticed the ways you have changed.
And I know you've been with that lady,
When you say you've been with your friends.

This is not a Holiday.
This is not a Holiday, ye ye ye
Oooh, such a special day.
This is not a Holiday.

~

Daddy in the back room, bustin out the bass booms.
Bobbie on the radio.
Richie with a funky beat.
Momma picking up her feet.
Dancing to the radio.
Now I've been listening to what you've been saying now
lately.
And I know that you're telling those lies.
And I can tell you've been with that lady.
I can tell when I look in your eyes.
This is not a Holiday.
This is not a Holiday, ye ye ye
Oooh, such a special day.
This is not a Holiday.
Daddy in the back room, bustin out the bass booms.
Bobbie on the radio.
Richie with a funky beat.
Momma picking up her feet.
Dancing to the radio.
