Bag Balm Stomp
Music & lyrics by Marc Little 2010
As performed by The Watermen

When your up or down do the bb stomp
Oh till the cows come home do the bb stomp
Oh when your work week is done and you wanna have
some fun
We're goin to the honky tonk to get things started
Oh we didn't come here to fight it's a beautiful night
Let's go cow tippin'

Oh raise it up drink it down do the Bag Balm Stomp
Oh gitty up get 'er done, do the Bag Balm Stomp

I can't remember the last time I held you in my arms
Till I could feel the beat of your heart
And his is the last time before they say last call for
alcohol
If your smile is any sign of what's in your heart

Do the Bag Balm Stomp
Oh till the cows come home do the bb stomp
Oh when your work week is done and you wanna have
some fun
We're goin to the honky tonk to get things started
Oh we didn't come here to fight it's a beautiful night
Let's go cow tippin'

Oh raise it up drink it down do the Bag Balm Stomp
Oh gitty up get 'er done, do the Bag Balm Stomp

I can't remember the last time I held you in my arms
Till I could feel the beat of your heart
And his is the last time before they say last call for
alcohol
If your smile is any sign of what's in your heart
