Come walk with me,
To the sea,
In a little row boat,
I just hope it'll float.
Then we'll sail the 7 seas,
Just you and me girl
We'll leave a message in a bottle.

Who knows just where the tied will lead us,
But to you I swear,
Gonna take your pain, worries and fears,

Oh we're gonna cast away,
All our pain,
Castaway, all our sorrow,
Castaway, like there's no tomorrow,

We won't send an S.O.S.
Or leave a forward address,
There ain't no one for miles,
All this boy needs is your smile,
And if they come to rescue us,
I'll burry you if you burry me
And all they'll see is pina coladas in the sand.
