Death by Miss Adventure  
Music & lyrics Marc Little 2010  
As performed by The Watermen

Was a Friday night at the Tin Roof  
Billy Ray was scopin' the landscape  
When a five foot ten bottle blond tanned  
Sat herself down on the barstool

Now Billy was the type  
He knew he was cool started sorting throw the files of  
pick up lines  
Like a deer, deer in headlights

He should have cried wolf in high fashioned clothes  
In a skinny black dress and Versace coat  
She turned into what would be the death of him

It was death by Miss Adventure  
Calling all cars call 911 it's an A.P.B.  
He's dead on the scene  
It was death by Miss Adventure  
Those high heal shoes and the blouse undone  
It was a D.O.A she was a smokin' gun  
It was death by Miss Adventure

Well before he even knew it he was hooked  
Then the killer had him right where she wanted  
Billy Ray got up & started to stagger  
As she dragged the boy out on the dance floor

Yea the room started spinnin, things were just beginin'  
Some guy got up, she forgot to introduce Billy to

He should have cried wolf in high fashioned clothes  
In a skinny black dress and Versace coat  
She turned into what would be the death of him

It was death by Miss Adventure  
Calling all cars call 911 it's an A.P.B.  
He's dead on the scene  
It was death by Miss Adventure

Those high heal shoes and the blouse undone  
It was a D.O.A she was a smokin' gun  
It was death by Miss Adventure

Yea Billy went down hard...
