It's Hockey Night
Words & Lyrics by Marc Little
As performed by The Watermen

Now this ain't no two timing, broke down truck, dog
dying diddy
We want a one timer!

Who are we? We're Canadian
What Town is this? Hockey Town

We're on the road to the cup
There's just no stopping us
'Cause the boys are shootin' just like The Rocket
Game on! It's hockey night!

Well I heard it on the grapeline
The starting line-up's got
Bobby Orr, Hall and Clarke and 99, it's all been signed

They've got Lord Stanley All shined up
And Avery's in the Sin-bin again

We're on the road to the cup
There's just no stopping us
We're gonna dump & chase and drop you in the corner
Game on! It's hockey night!

Oh Face off, slap shot, man on, gloves off,
Break away, off sided, short handed
Power play, game on, crowd roars, clock tickin,
High stickin, he takes a shot- he scores!

It's hockey night!

It's in our blood we're number 1
From every generation across this nation
We're gonna get it on

Dump & chase, blue line, one timer, break away
Rocket Richard, Rock em sock em
Elbowin, round robin, back breakin, back checkin'

Centre ice, end zone, hat trick, hot doggin,
Break out, time out

We're on the road to the cup
There's just no stopping us
'Cause the boys are shootin' just like The Rocket
Game on! It's hockey night!
