You got your leopard print stilettos,  
One hand on the wheel,  
But we ain't even got 2 cents to rub together.  
I tried to talk you out of this road trip,  
The look in your eyes told me you'd never listen,  
I don't think Vegas is the place to be goin',

But we're 2 dice rollin'  
And we're hoping luck will find us.

Well I drove on down to your daddy's farm  
And it was plain to see just where you got your charm,  
Your mama was a 3rd generation  
Bona fide high rollin' gamblin' sensation,  
I don't think Vegas is the place to be goin',  
But we're 2 dice rollin'  
And we're hoping luck will find us.  
We're just 2 dice rollin',  
Yea we're rollin, rollin, snake eyes a callin'.  
I don't think Vegas is the place to be goin',  
But we're 2 dice rollin'  
And we're hoping luck will find us.

We did the drive-thru wedding chapel with Elvis,  
You bought me a leisure suit, I'm workin' my pelvis,  
I think it's time to get out of this relationship,  
I can't even get lucky now that you mention it,  
I don't think Vegas was the place to be goin',  
But we're 2 dice rollin'  
And we're hoping luck will find us.
